NON-COMMERCIAL EXHIBIT APPLICATION FORM – Deadline 15 February 2007

If your organization wishes to bring educational exhibit materials, please complete and return this form to the Micronutrient Forum secretariat. All exhibits should serve the educational and scientific interests of the Forum. Promotional materials for specific products, advertising, or distribution of commercial products are not allowed. Space is limited, and exhibits require prior approval through the secretariat. The secretariat will inform organizations of exhibit acceptance. These are tabletop exhibits. The Micronutrient Forum will provide the table and space at no charge.

Plan your exhibit to fit within the confines of one rectangular hotel banquet table (approximately 6 feet long by 3 feet wide). The exhibit area will be in the foyer area of the meeting room. Exhibits will be on display all day Tuesday and Wednesday, 17 & 18 April.

NAME OF ORGANIZATION REPRESENTED:	
Address:	City:
State: Zip/Code:	Country:
CONTACT NAME:	
Telephone:	Fax:
E-mail:	
EXHIBIT MATERIALS DESCRIPTION *(please include as many details as possible).*	
IMPORTANT NOTES: The Micronutrient Forum Secretariat cannot be responsible for exhibit materials before, during, or after the meeting. Be aware that the exhibit area is not guarded at all times and you are responsible for your own materials. Note that shipping materials may be a challenge due to Customs. The hotel is unable to clear shipments so you will need to contact someone in-country to assist you or hire an international shipping company.	

Return this form to:
Ms. Diane Dalisera, CMP, Micronutrient Forum Secretariat, ILSI Research Foundation
