

## Travel Grant Application

A limited number of travel grants will be available to help enable participation at the 2009 Micronutrient Forum meeting in Beijing. Each grant will cover some portion of transportation to and from the meeting site, meals, and/or lodging during the event. Preference will be given to individuals whose abstracts have been selected for presentation. Applications are particularly encouraged from students and post-doctoral students from low-income countries and whose abstracts have been accepted by the Micronutrient Forum Program Committee for presentation in Beijing. Some restrictions may accompany the grants.
